

Product Facts:

Active Ingredients per 4 Gram Scoop

Methylsulfonylmethane (MSM) 99.9%....4000 mg.

Inactive Ingredients

Water

Ultra-Pure MSM™ for pets only uses OptiMSM® which is the premier product for healthy joints and mobility. Sulfur, a key component of Ultra-Pure MSM™ for pets, supports joint, cartilage and connective tissue to sustain an active lifestyle for dogs and cats. MSM benefits overall joint health and normal range of motion to stay active. MSM plays a role in maintaining the cushion between joints to support mobility and protect healthy cartilage. It also supports synovial fluid production to keep joints lubricated. Choosing Ultra-Pure MSM™ from NWC Naturals® Inc. will guarantee you are getting genuine made in the USA OptiMSM®.

Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven. If animal's condition worsens or does not improve stop product administration and consult your veterinarian.

Product Facts Continued:

For use only with Dogs, Cats and Horses

Directions for use:

For dogs and cats we recommend giving orally 500 mg MSM powder per 10 lbs of body weight daily. A 4000-milligram scoop (= one teaspoon) is included in each jar.

- 10 pound pet gets 1/8 teaspoon a day (500 mg.)
- 20 pound pet gets 1/4 teaspoon a day (1000 mg.)
- 40 pound pet gets 1/2 teaspoon a day (2000 mg.)
- 60 pound pet gets 3/4 teaspoon a day (3000 mg.)
- 80 pound pet gets one teaspoon a day (4000 mg.)

For horses we recommended administering orally three teaspoons (approx. 12 grams) of Ultra-Pure MSM™ powder twice daily for the first 7 days. After that administer orally one and a half teaspoons for daily maintenance.

Warnings:

For animal use only. Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.
