

Transfer-Tox™ is the most comprehensive three in one detox formula available.

- Protects liver cells while supporting healthy liver function and regeneration ♦
- Supporting healthy kidney function during the detoxification process ♦
- Assists the normal detoxification process by supporting the kidneys and lymphatic system ♦

Our powerful enzyme blend combined with proven herbs and botanicals maximizes the detox process. **Milk Thistle** is the most widely recognized natural remedy for liver health and support. It has been shown in specific studies to not only protect liver cells, but also to help regenerate healthy ones. ♦ **Phosphatidyl Choline** enhances the delivery of the milk thistle. **Barberry** promotes the healthy flow of bile. **Black Current Extract** is a top source of the fatty acid GLA which helps de-fat the liver. **Dandelion Root** is a gentle tonic for the liver supporting healthy liver and gall bladder function. **Garlic** activates the cells of the liver and thereby protects the liver from toxic substances. This entire formula is delivered with out exclusive **L.E.A.D.S® Live Enzyme Activated Delivery System®** making it the most effective liver, kidney, heavy metal detox available.

Suggested Usage: Take two - three capsules at bedtime with water.
